Budget Questionnaire

It is important to have a realistic budget that we can work with. Many people are unaware of things to consider in a kitchen or bathroom remodel. The following questions may help you to attain a realistic budget.

General

Item	Cost
Architectural Changes	\$
Remove or relocate walls	\$
Countertops	\$
Flooring	\$
Wall coverings (Tile , paint, etc)	\$

When did you last upgrade your electrical Panel ? \$

Appliances \$
(looking in the Sunday newspaper will give you an idea of a basic price)
Dishwasher, microwave, refrigerator, range, cook top, wall oven.

Cabinetry \$
It's not unusual to spend \$5,000 or more on cabinets alone.

Fixtures

Sinks, faucets, garbage disposals, whirlpools, showers, toilets \$

Electrical

Wall outlets, wall sconces, direct wire for whirlpool, canned lights \$

Total \$
